KEEPING YOU CONNECTED

In order to keep your account current, all charges should be paid each month. Failure to pay for services other than your Local Phone Service, may result in restriction of long distance calls, removal of those other services, or collection activities. These services could include feature packages, Long Distance, High Speed Internet, Wireless, or Television services, and certain surcharges. To avoid disconnection of your Local Phone Service, you must pay the charges associated with that service as well as certain taxes and surcharges. That amount is \$0.00. On the first page of your bill, there is a line called Total Amount Due. If that amount is less than \$0.00, please pay the Total Amount Due amount. CenturyLink service bundles, and the amounts shown on the bill's first page, may include charges for both Local Phone Service and other charges. CenturyLink should receive your payment on or before the due date on your bill. If you are unable to pay by the due date, please contact us immediately.
